KAREN T. JACKSON, PH.D.

12:00pm - 1:00pm CT | Tuesday, September 30, 2025 via Zoom

Join AEA President Dr. Karen T. Jackson for a timely conversation on how evaluation can be a force for truth-telling, community accountability, and resistance in a politically charged era. This session will explore strategies for advocacy, reflective practice, and navigating systemic disruption—while uplifting the power of evaluators as civic leaders and change agents. Come ready to reflect, imagine, and act.
